

PARTICIPANT INFORMATION KIT

Dear participants,

Thank you for joining #HLN LTTA1!

This online hackathon will tackle a very difficult challenge and we are very glad to have you with us and help the teams along the way.

YOUR MISSION

Deliver a proposal for an educational toolkit for one challenge as part of these 4 Domains, which has the potential to help teachers/students/organizations to build a successful STEAM activity through a Biotech Approach.

AGENDA & FLOW

The agenda can be found here: <https://hybrid.i3s.up.pt/hybrid-labs/biotech-approach-learning-science-and-engineering/>

All time info's are given in Western European Summer Time (GMT+1)

TOOLS WE ARE USING

We will use **Slack** and also **Zoom** and **Mural** complemented google drive.

In some cases, they overlap, which is ok (as long as you know) but they do serve different end goals.

SLACK

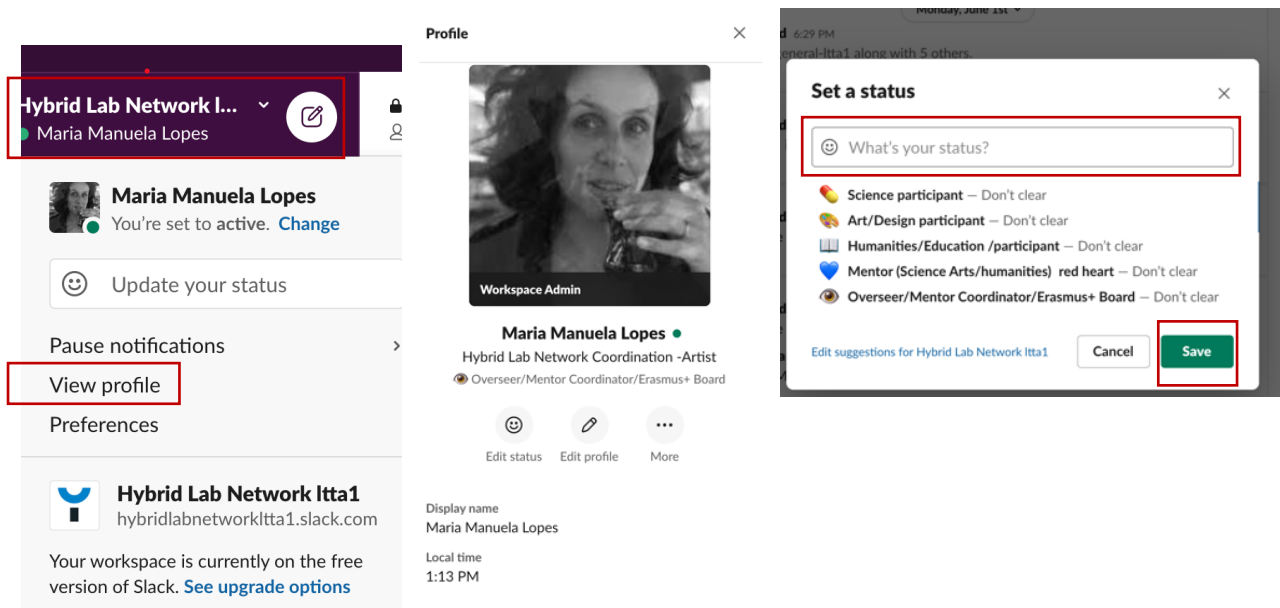

We will send you now an invite email to our Slack workspace and you will automatically be added to the right team depending on your curiosity and which challenges you chose to work on.

To make it easier to identify you, set your status as:

-  ARTS
-  SCIENCE
-  HUMANITIES

Below you can see all the statuses we will use:

-  Art/Design participant
-  Science participant
-  Humanities/Education /participant
-  Mentor (Science or Art/Humanities)
-  Overseer/Mentor Coordinator/Erasmus+ Board

Also, please fill-in your Slack profile:

- First & Last Name
- Organization / Team - so we know who you are
- Upload your photo - so we know how you look like

If you don't know how to use Slack, watch this video:

TOMORROW 18TH JUNE

We shall meet at slack at 9.15 pm (GMT+1)

Please feel free to explore slack. We have prepared the 4 team channels and you, as participant, will be already invited into your team.

We will all meet at #1- landing room-ltta1

We will have the first part of the morning on zoom all together and then at 10.15 we will split the zoom into 4 rooms (one for each team) and we will be there to help you through it. zoom channel link will be inside all channels ...do not worry!

Tomorrow you will be provided with further information.

For any other doubts or find us at slack.

We hope you enjoy the hack the Lab experience!
